PALMERO®
HEALTHCARE
Protecting Clinicians, Patients and the Practice

Don't Take Chances, Take Control with Palmero.

When it comes to infection prevention and control, you can't afford to take risks. For over 60 years, Palmero Healthcare has kept the dental community safe and secure with a complete portfolio of protective products. We are Palmero Healthcare and we don't take chances, we take responsibility.

Palmero Healthcare has been committed to bringing a wide range of infection prevention products such as hospital-level disinfectants, barrier products, and safety products to the dental community.

We take pride in knowing that our legacy will continue to expand and flourish as a proud member of HuFriedyGroup, the dental division of Cantel Medical. With quality and reliable dental products, Palmero's goal is to become the recognized brand and leader in infection prevention and safety products.

Mission:
To provide infection prevention and safety products that protect clinicians, patients, and the practice.

WHAT'S NEW

HVESOLO™ Disposable Evacuation Tips 50/bag

- Our short (2.5" length), lightweight shaft is uniquely designed for solo practitioner use of the high-volume evacuation (HVE) in non-dominant hand.
- Reduce aerosol contamination and effectively eliminate fluid and debris from the oral cavity for improved visibility, patient acceptance and clinician comfort.

See page 8 for more details

Foaming Hand Sanitizer 8 oz.

- Kills 99.99% of bacteria in 30 seconds without the use of soap or water
- Economical, proprietary formula leaves hands smooth and soft
- Fragrance-free
- Contains 62% ethyl-alcohol to meet hand asepsis guidelines

See page 5 & 12 for more details

Dynamic Disposables™ Safety Eyewear

- Our office packs for grey and orange bonding lenses is part of our newest addition to our Dynamic Disposables safety eyewear line
- A lightweight, disposable, cost-effective alternative eye protection that reduces eye splash contamination incidents

See page 31 for more details

Tablet Barrier Sleeves 100-Pack 8" x 11.5"

- Designed to protect sensitive touch screen tablet devices by minimizing disinfection requirements
- Easy application disposable sleeves accelerate operatory turnover
- Adhesive strip securely protects touch screen tablet device
- Compatible with iPad® or tablet

See page 14 for more details

ProVision® Anti-Fog Solution 8 oz. & 1.7 oz.

- An alcohol-free optical foaming cleaning solution that resist scratches, static, and stains.
- Foam formula yields 5 times the applications compared to a traditional pump or squeeze bottle.
- Compatible with all eyewear, face shields, loupes, and scopes.
- Alcohol-free, non-toxic, and non-flammable

See page 9 & 37 for more details

Dynamic Disposables™ Snapeez™ Face Shields Full & Half

- The next generation of disposable face shields is here!
- Our new light-weight, Dynamic Disposables Snapeez face shields provide an easy-to-use snap-on disposable lens feature.
- Meets OSHA bloodborne pathogen guidelines.

See page 32-33 for more details

Protectall™ Upholstery Cleaner Wipes

- Protectall™ Upholstery Cleaner Wipes are premoistened wipes containing an advanced water-based silicone formula.
- Protectall wipes safely protects, cleans, and restores leather, vinyl, plastic, and rubber upholstery surfaces like x-ray aprons and dental unit chairs.
- Protectall is recommended for periodic use after disinfecting upholstery surface with DisCide® Ultra surface disinfectant.

See page 4 & 45 for more details

Cling Shield® Smiley Face X-Ray Apron

- Cling Shield® X-Ray product line is designed to protect your staff and patients from harmful radiation.
- Our PROTECTALL™ x-ray apron offers a built-in thyroid neck collar to optimally protect reproductive organs and thyroid gland.

See page 40-42 for more details

ProVision® New Safety Eyewear

- Palmero is the leading safety eyewear brand providing an impressive range of trendy eyewear including safety, bonding, disposable and magnifying styles for clinicians and patients.
- We're excited to introduce our newest safety eyewear line with 13 new designs to enhance protection and comfort for your practice, staff, and patients!
- All of our Provision® safety eyewear meets ANSI Z87.1: Eye and face protection standard with UVA and UVB protection.

See page 17-30 for more details

ProVision® Crystal Clear Anti-Fog Solo Wipes 100-Pack

- As an addition to our Eyewear Maintenance product line from lens station to optical wipes and cleaning solutions, we're now offering convenient individually wrapped anti-fog wipes!
- Great for eyewear and goggles.

See page 5, 9, & 37 for more details

CLEAN

Clean Operatory, Clean Conscience.

At Palmero Healthcare, we don't just think about cleaning products, we obsess over them – from trusted cleaners like DisCide® XRA hand sanitizing wipes to specialized products like Vacuum Shock and Clean for evacuation systems. Because, at the end of the day, a clean operatory comes with a clean conscience.

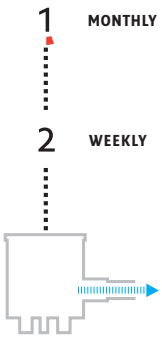
3501	Foaming Hand Sanitizer	8 oz. (237 ml) Bottle Pump Dispenser



From Screen to Clean

The Two-Step System Too Simple to Ignore

Keeping your evacuation line clean is an important part of keeping your HVE and saliva ejector running smoothly. Vacuum Shock and Vacuum Clean are an easy two-step system that keeps high/low speed lines clean and fresh. When used in conjunction, the time-release formulation ensures your line is protected around the clock. Our Evacuation Product Line features neutral formulations with a pH of 7 that follows best management practices (BMPs) identified by the EPA to help ensure the efficiency of amalgam separators. These products do not contain bleach, chlorine, iodine, peroxide, or any oxidizers. Don't let a compromised evacuation system make problems for your practice, use the one-two punch that keeps evacuation lines happy.

E-VAC System Kit

- Convenient, all-in-one Vacuum Shock and Vacuum Clean Evacuation System Maintenance Kit
- Kit includes 6-tablets/jar of Vacuum Shock and 45-tablets/jar of Vacuum Clean

Ref #	Quantity
3547S	2 jars

Vacuum Shock™

- First stage in Palmero 2-Step Evacuation System Maintenance Kit
- Time-released tablet; use 1 tablet monthly
- Removes accumulations and keeps vacuum lines clean to restore vacuum pressure and extends pump life
- Compatible with amalgam separator systems
- Neutral (7 pH) formulation follows EPA Guidelines for waterline management
- Does not contain bleach, chlorine, iodine, peroxide, or any oxidizers

Ref #	Quantity
3546	6 tablets/jar

Vacuum Clean™

- Second stage in Palmero 2-Step Evacuation System Maintenance Kit
- Time-released tablet; use 1 tablet weekly
- Continuously cleans evacuation system lines
- Restores pressure, and extends pump life
- Keeps vacuum lines functioning at peak efficiency
- Can be used as a cost effective detergent to clean high/low speed lines from tip to trap by dissolving 5 tablets in the Pour and Clean pre-mix bottle (3547P) for premixing concentrate
- Compatible with amalgam separator systems
- Neutral (7 pH) formulation follows EPA Guidelines for waterline management
- Does not contain bleach, chlorine, iodine, peroxide, or any oxidizers

Ref #	Quantity
3547	45 tablets/jar

ProVision® Econo Bonding

- One piece design with detachable side shields
- Meets ANSI Z87.1 standard

Ref #	Decsription
1100	Red Econo Bonding

ProVision® Eyesaver Sleeks™ Bonding

- Sleek, ultra-light, economical goggles with adjustable temples to allow for broader facial fit
- Meets ANSI Z87.1 standard

Ref #	Description
16SLK	Red bonding frame/lens

ProVision® Tech-Specs™ Bonding

- Stylish, impact-and-stress resistant material
- Meets ANSI Z87.1 standard

Ref #	Description
3712	Grey frame/red lens

ProVision® Bond OverBond™

- Same style as the Overshield Eyewear with orange bonding lens with telescoping arms
- Meets ANSI Z87.1 standard

Ref #	Description
3602BOND	Black frame/orange lens

ProVision® Bonding Lens Shield

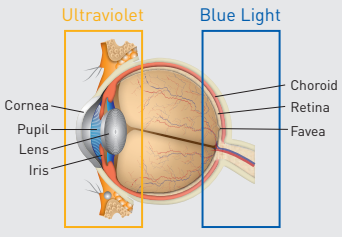
- Easily adapts to most pistol or wand type VLCs (visible light cure) to help protect eyes from the harmful blue light used in curing and bleaching procedures
- Constructed of an unbreakable polycarbonate with a protection of 530nm

Ref #	Description
125	3" diameter

Did You Know?

Palmero ProVision Eyewear portfolio includes specialized bonding eyewear materials that filter out the harmful Blue Light to the back of the eye, protecting the optic nerve and the retina.

- Blue light is being used for multiple dental products and procedures including Bonding, Curing, and Whitening agents.
- Blue Light Radiation has been proven to cause moderate to severe retinal damage to the Dental Professionals and even patients who experience long term exposure over a period of time without wearing any type of optical protection.
- Using eyewear filters to block UV and the blue wavelength of light from 380-495nm is an important eye conservation measure for dental professionals and patients.
- Blue light affects the back of the eye, the retina.



Eyeball cross section

Color	Wavelength
Violet	380-450 nm
Blue	450-495 nm
Green	495-570 nm
Yellow	570-590 nm
Orange	590-620 nm
Red	620-750 nm

Laser Collection

Palmero offers 3 premium laser safety eyewear products.

- Meets ANSI Z87.1 and Z136.1 standard for laser protection
- Optical Density OD >5+
- Filter Specifications 800-830 nm
- Includes upscale storage kit with zippered hard case, draw string bag and lanyard

ProVision® Diode Wraparound Laser Eyewear

- Wraparound black frame with yellow/green polycarbonate filter lens
- Rubber nose pad and foam pad insert along brow provides comfortable fit while the wraparound design ensures your eyes are protected
- Visible Light Transmission (VLT) 68%

Ref # 3589YG

ProVision® Diode Alexandrite Design Laser Eyewear

- Silver/black frame with green polycarbonate filter lens
- Rubber nose pad and rubberized temple bars provides comfortable grip while the wraparound design ensures your eyes are protected
- Visible Light Transmission (VLT) 50%

Ref # 3588DA

ProVision® Diode Uni-Fit Wrap Laser Eyewear

- Lightweight, universal-fit, black wrap frame
- Yellow/green polycarbonate filters lens
- Rubber nose pad and wraparound design ensures your eyes are protected
- Visible Light Transmission (VLT) 68%

Ref # 3590YG

Ref #	Wavelength	Optical Density (OD)	Lens Color	Visible Light Transmission (VLT)
3589YG	800-830 nm	>5+	Yellow/Green	68%
3588DA	800-830 nm	>5+	Green	50%
3590YG	800-830 nm	>5+	Yellow/Green	68%

Did You Know?

When selecting laser eyewear there are 4 important factors to consider when choosing the proper laser eyewear.

- Consult your laser manual to determine the protection level needed based on laser's output and the recommended Optical Density (OD)
- Select a filter whose specifications match the manual and provides the highest Visible Light Transmission (VLT)
- Find a frame that provides a comfortable fit
- Provide laser eye protection for clinicians, staff and patients

Eyewear Maintenance

Palmero's ProVision eyewear accessories include light weight headlights that deliver brilliant line of sight light into the field.

X-RAY APRONS & HANGERS

Cling Shield®

- FDA registered, medical-grade textured vinyl backing that clings in place ensuring coverage by preventing slippage
- Made in the USA and custom-made to order
- Available in 2 material types of Vinyl or Nylon and Lead-Free (.3MM) or Lead Lined (.3MM or .5MM)
- Available in a variety of colors and selected silk screen prints

Did You Know:

- Do not fold aprons as it can cause cracking within the lining. See Palmero's assortment of hangers to protect your investment safely.
- All lead aprons have a useful life as their shielding properties wear down gradually. Proper maintenance includes either checking via fluoroscopy or replace if they show any signs of damage.
- The EPA states that recycling the lead apron is the preferred method since it keeps lead out of landfills. Contact Palmero for our environmentally friendly X-Ray Apron Recycle/Trade-in program.

ORGANIZE

Let's Get It Together

A well-organized operatory is the backbone of every well-run practice. At Palmero Healthcare, we offer the systems and dispensers to put the products you need in the places you want them. From wall-mounted holders, and assorted dispensers to bur blocks and industry-specific containers, your search for organization ends here. Let's get together and get organized.

HOLDERS

Hold-It™ Holder

- Durable holder can be mounted easily in accessible areas to prevent clutter
- Save valuable counter space, directly mounts to a cabinet or wall
- Fits all Palmero towelette containers and many other manufacturer's brands
- Mounting hardware included

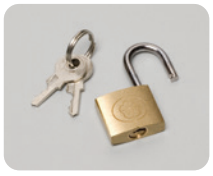
Hold-It™ Canister Holder

- Compatible with DisCide® ULTRA wipes canister (see Page 10)

Ref #	Description
109	6" x 5⅝" holder

Hold-It™ Locking Canister Holder

Ref #	Description
109L	7¼" x 5⅝" holder
109LK	Padlock and locking key



Hold-It™ Round Quart Bottle Holder

Ref #	Description
3514	5 ¾" x 3 ¾"

Hold-It™ Square Quart Bottle Holder

- Compatible with DisCide® ULTRA quart bottle (see Page 10)

Ref #	Description
3517	4 ¾" x 4" x 5 ½"

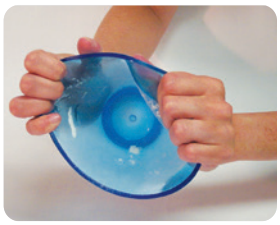
- Dispense the right amount of liquid by pressing lightly on the cap
- Swing-away cap springs back to prevent evaporation and spillage
- Unbreakable plastic, 8 oz. capacity

Ref #	Description
46	Clear
47	Brown
48	Clear with Alcohol print

Operatory Essentials

Sometimes it's the little things that can make the biggest impact. Maybe it's the mirrors that reflect on how patients see your practice. Maybe it's the OSHA labels that confirm your commitment to compliance. Or maybe it's the mixing supplies, waste management provisions, patient throws or any of the countless operatory essentials, that you count on every day. All you need to know is that if you need it in your operatory, we've got it in inventory. We are Palmero Healthcare and we'll make sure the little things never become a big deal.

Candeez™ Flexible Mixing Bowls



- Fun, scented or unscented, flexible mixing bowls
- Unique design and material allows for inside-out folding, does not contain latex
- Made from an extremely pliable PVC allowing for easier and more efficient mixing of impression materials
- Large stabilizing base, ultra-smooth surface for bubble-free mixing
- Use with most automatic alginate mixers
- Available in various sizes and translucent colors

Please Note: Bowls are NOT autoclavable. Spatulas are autoclavable to 270°.

TERMS AND CONDITIONS

ORDERS AND QUOTATIONS: Contact Palmero Healthcare for a quotation at 1-800-344-6424. All orders may be placed via fax 203-377-8988. Visit our website at www.palmerohealth.com

MINIMUM INVOICE: $50.00 minimum invoice order amount. There will be a $10.00 handling charge for all orders not meeting the minimum $50.00 order requirement.

SHIPPING TERMS: All shipments are F.O.B. Stratford, CT. Drop shipments will be made prepaid, unless otherwise specified, with applicable transportation charges added to the invoice. Common carrier shipments will be sent freight collect, and U.P.S. or Federal Express shipments will be prepaid and added to the invoice. If no shipping instructions are specified with the order, our method of transportation will be deemed acceptable. Palmero reserves the right to make partial shipments, unless specifically requested otherwise. If a special request is made, an additional handling charge will be included on the invoice to cover the resulting processing and carrier charges.

PAYMENT TERMS: All invoices are payable net 30 days from date of invoice. Palmero reserves the right to refuse orders, suspend credit, and cancel unfulfilled orders when credit conditions of a customer warrant such action.

ACCEPTANCE: All orders are subject to Palmero's approval. Palmero Healthcare reserves the right to alter the design or form of any product or discontinue any product prior to the date of delivery without incurring any obligation.

SHIPMENTS, DAMAGES, AND SHORTAGES IN TRANSIT: When signing for receipt of goods, all visible damages and/or carton shortages must be indicated on the carrier delivery receipt. The customer shall inspect all items upon arrival and submit in writing any claim of a shortage or non-conformance within 7 days after receipt of shipment. Responsibility for an error in shipment passes from the shipper to the consignee if the merchandise, or any portion thereof, is used prior to notification.

MERCHANDISE RETURN POLICY: A Return Authorization Number (RAN) must be requested prior to returning any merchandise to Palmero Healthcare. Issue of a RAN should not be interpreted as a final credit to the customer account. Palmero reserves the right to evaluate incoming returns prior to issuing a credit to the customer. Merchandise must be returned in resalable condition (unless originally defective); in original complete packages (no partial packages accepted for credit); forwarding shipping costs are prepaid; a handling/restocking fee of 20% to 30% will be assessed to merchandise which is not defective. Percentage will be based on the condition of the merchandise returned. Non-returnable products received by Palmero will be returned to the customer and shipping costs will be billed to the customer. Discontinued Items by PHC will not be accepted for return. Specialty products such as X-Ray Aprons are date sensitive and any returns received beyond 9 months of the stamped date will not be issued credit. The X-Ray Aprons will be disposed of in the proper recycling method as specified by Palmero Healthcare's policy.

PRODUCT WARRANTY: Palmero's products are guaranteed to be free of material defects. Palmero is committed to a high standard of quality and craftsmanship. This standard will be employed in the manufacture of each product. If our products do not meet these standards, our customer may return the product to be replaced, at our discretion, and at no charge.

WARRANTY STIPULATIONS: Palmero Healthcare warrants that it has good title to the products sold to the buyer; and that its goods will conform to buyer's specifications, if any. Except as otherwise provided herein, all other warranties, whether expressed or implied, and including, but not limited to, the warranty for merchantability and fitness for a particular purpose are hereby excluded. In all events, buyer's sole and exclusive remedy shall be limited to the amount of the purchase price of any products on which a claim is made as its exclusive remedy for breach of the warranty expressed herein and for negligence and otherwise. Under no circumstances shall Palmero be liable to buyer or any other person for consequential or incidental damages.

CHOICE OF LAW: All disputes arising out of all sales by Palmero to buyer shall be governed by the State of Connecticut and litigated in Fairfield County, Connecticut. Buyer hereby consents to the jurisdiction of the courts residing in Fairfield County, Connecticut.
