

Stains & Reagents

Hard to Find?

Not Any More!

HealthLink offers a full line of Stains and Reagents for your laboratory needs. Whether you need Monsel's Solution, Gram Stain, Wright's Stain, Dichloroacetic Acid, Potassium Hydroxide or Acetone, HealthLink probably carries it. We have over 300 items in our Stains and Reagents line - if we don't carry it, we can custom formulate it for you!
