

FLOOR PROTECTION

with HydroGrabber® Technology

HALYARD* ABSORBENT FLOOR MATS WITH HYDROGRABBER® TECHNOLOGY

HALYARD* Absorbent Floor Mats are designed to absorb fluids from the operating room floor quickly and efficiently. These mats help to ensure that the floor beneath remains slip-free, safe and dry during procedures. A fluid barrier backing is available in some versions for use on dry floors, helping to keep mats in place and fluids contained. Mats without backing may be applied to wet floors, as these mats absorb from both top and bottom surfaces. All mats are single use and non-sterile.

- Provides quick and easy cleanup and helps decrease costly turnover time
- Absorbs a variety of fluids including blood, saline, prep solutions and oils
- Available both with and without polyethylene fluid barrier backing, providing options for wet or dry floors
- Offered in a variety of sizes and material combinations with multiple levels of absorption
- Conforms to uneven surfaces
- Reduces laundering costs and risk of cross-contamination
- Disposable, non-sterile, not made with natural rubber latex
- Color coded for easy identification

 HIGH VISIBILITY

 MEDIUM ABSORBENCY

 LOW ABSORBENCY

 CELLULOSE

HALYARD* STANDARD ABSORBENT FLOOR MATS

- Standard absorbent capacity (gray mats absorb 12+X their dry weight; green mats absorb 14X)
- Tacky fluid barrier backing sticks to floor, leaves no residue
- Available in low profile pre-cut mats

Gray = Low absorbency mats

Green = Medium absorbency mats

Mats WITH fluid barrier backing are designed for use on DRY FLOORS. Mats WITHOUT backing absorb from both top and bottom surfaces and may be used on wet floors.

SKU	STANDARD MEDIUM ABSORBENCY MATS	QUANTITY
47865	Absorbent Mat; Green; 16"x40" Medium Absorbency; No Fluid Barrier Backing	60/CS
47866	Absorbent Mat; Green; 32"x44" Medium Absorbency; Fluid Barrier Backing	30/CS
47867	Absorbent Mat; Green; 32"x44" Medium Absorbency; No Fluid Barrier Backing	30/CS
47868	Absorbent Mat; Green; 32"x58" Medium Absorbency; Fluid Barrier Backing	25/CS
47869	Absorbent Mat; Green; 32"x72" Medium Absorbency; Fluid Barrier Backing	20/CS
47870	Absorbent Mat; Green; 32"x72" Medium Absorbency; No Fluid Barrier Backing	20/CS
SKU	STANDARD LOW ABSORBENCY MATS	QUANTITY
47871	Absorbent Mat; Gray; 32"x44" Low Absorbency; Fluid Barrier Backing	30/CS
47872	Absorbent Mat; Gray; 32"x44" Low Absorbency; No Fluid Barrier Backing	30/CS
47873	Absorbent Mat; Gray; 32"x72" Low Absorbency; Fluid Barrier Backing	20/CS

HALYARD* HIGH VISIBILITY ABSORBENT FLOOR MATS

- High visibility yellow alerts fall risk
- Bilingual fall prevention marking and universal symbols
- Standard and high absorbent capacity available (14X & 16X dry weight)
- Tacky fluid barrier backing sticks to floor, leaves no residue
- Adjustable sizing perforation every 24" helps reduce waste

Mats WITH fluid barrier backing are designed for use on DRY FLOORS. Mats WITHOUT backing absorb from both top and bottom surfaces and may be used on wet floors.

SKU	HIGH VISIBILITY MATS	QUANTITY
47862	Perforated Rolls, Yellow, 32"x24" Medium Absorbency, No Fluid Barrier Backing	25 EA/RL, 4 RL/CS
47863	Perforated Rolls, Yellow, 32"x24" Medium Absorbency, Fluid Barrier Backing	25 EA/RL, 4 RL/CS
47864	Perforated Rolls, Yellow, 32"x24" High Absorbency, Fluid Barrier Backing	25 EA/RL, 4 RL/CS

HALYARD* CELLULOSE ABSORBENT FLOOR MATS

- Standard absorbent capacity (14X dry weight)
- Available in low profile pre-cut mats
- Multi-purpose application for floors and surgical instrument drying

SKU	CELLULOSE	QUANTITY
47874	Cellulose Mat, White, 28"x40", Medium Absorbency, No Fluid Barrier Backing	30/CS
47875	Cellulose Mat, White, 40"x72", Medium Absorbency, No Fluid Barrier Backing	15/CS

NOT MADE WITH
natural rubber latex

made in the
USA
