

SANITEX PLUS™ GERMICIDAL DISPOSABLE WIPE

Wipe away the germs.

SaniTex Plus™ Germicidal Disposable Wipe is an EPA registered, low-level disinfectant ideal for use on a wide range of hard, non-porous surfaces and equipment.

Broad Spectrum

Total disinfection time of 3 minutes for 16 microorganisms including bloodborne pathogens, viruses and bacteria

Save Time

Ready-to-use, pre-moistened wipes saturated with the precise amount of germicidal solution to effectively clean and disinfect

Compatible

Ideal for use in dental and alternate care settings on a wide range of hard, non-porous surfaces and equipment

Convenient

Unique deep-well lid provides plenty of room to store the next wipe and a secure seal to prevent moisture loss
