## 2021 Porter Flowmeter Trade-In Program

Trade in your flowmeter – **any brand, any condition, and any age.** Ask Porter or your local dental dealer rep for details. **Receive \$600 off the retail list price of a new Porter or Matrix flowmeter.**

Porter MXR-D

Porter Digital MDM

Porter MXR

NOTE: Trade-in pricing cannot be combined with any other promotion or discount.

## Porter / Matrix Trade-In Program Worksheet

Replace your older, damaged or non-functioning flowmeters and trade up to a brand new Porter or Matrix flowmeter.

### Here's how the Porter Trade-In Program works:

1. Select your new Porter or Matrix flowmeter from the list below.
2. Place your order with your dental dealer and provide a digital image of your old flowmeter and serial number.  
The dealer will deduct \$600 from the retail price of the new flowmeter.
3. Your dental dealer will deliver your new flowmeter and will be required to remove your old flowmeter from service.
