

We Have Amalgam Separation Down to a Science

Solmetex has quickly become the industry leader in Amalgam Separation. What makes Solmetex different is our “Total Solution Approach” — integrating the simple design of the NXT Hg5 with waste handling and recycling into our complete product line, providing a truly green set of solutions for the dental practice.

Solutions

The NXT Hg5 provides the complete solution:

- New compact design, internal manifold, ideal for hard to fit areas
- Functional with all wet and dry vacuums
- Environmentally friendly packaging
- Simple mail-back recycling program
- Meets all “EPA Dental Rule” requirements
- ISO 11143:2008 certified by NSF International

Easy

- Clear system, easy to inspect
- Two-minute container change out
- No tools necessary

Flexible

- Versatile, wall or floor mount
- Compatible with wet or dry vacuums
- Three available sizes to fit your practice

Support

- Compliance center
- Online certificates 24/7
- AutoShip program

Recycle

- Ship container via UPS
- EPA certified mercury facility
- Recycle Kit includes container and recycle packaging
