

# FULL LINE PRODUCT CATALOG

## BE THE DIFFERENCE®

PDI offers a broad range of evidence-based, market leading *Interventional Care*, *Environment of Care*, and *Patient Care* solutions, all designed to help reduce preventable infections, control healthcare costs, and ultimately help save lives. It's all part of our passion to *Be The Difference*, every day.

# Environment of Care

The environment is a primary, and often unexpected, source of infections. Maintain a clean and sanitary environment with our *Environment of Care* solutions.

## Sani-Cloth® AF3 Germicidal Disposable Wipe

Alcohol Free. Fragrance Free. Worry Free. Ideal for use around patients and staff, especially those with respiratory sensitivities.

## Super Sani-Cloth® Germicidal Disposable Wipe

The #1 disinfecting wipe in Healthcare. Ideal for daily use in fast-paced environments that require a short contact time and broad coverage of microorganisms.

## Sani-Cloth® Bleach Germicidal Disposable Wipe

Ideal for disinfecting high risk areas endemic with *Clostridium difficile* spores and Norovirus.

## Sani-Cloth® Plus Germicidal Disposable Cloth

A low-level disinfecting wipe for general surface disinfection.

## Easy Screen® Cleaning Wipe

A compatible touchscreen cleaner that works at the speed of technology.

- Features the power of 70% isopropyl alcohol (IPA)
- Fast-drying, no residue, anti-fogging, anti-streaking
- Rapidly cleans dirt, grime, fingerprints, and smudges

Different infection risks require different solutions. Our *Interventional Care* solutions help you protect even the most vulnerable patients.

## Prevantics® Skin Antiseptics

The only U.S. Food and Drug Administration (FDA) approved 3.15% (w/v) Chlorhexidine Gluconate (CHG) and 70% (v/v) IPA topical skin antiseptic.

- Swab approved for preinjection skin preparation
- Swabstick and Maxi Swabstick approved for preoperative skin preparation
- Premoistened, ready-to-use applicators contain no glass
- Swabstick and Maxi Swabstick are clinically proven to have continuous antimicrobial activity for up to 7 days

## Prevantics® Device Swab

The first and only 3.15% (w/v) CHG/70% (v/v) IPA solution to receive 510k clearance by the FDA for the disinfection of needleless access sites prior to use.

- Confirmed efficacy at the 5-second scrub time<sup>1</sup> and 5-second dry time
- Strip format hangs conveniently on an IV pole for point-of-care accessibility

**Reference: 1.** Hayden MK, et al. A Randomized Cross-Over Clinical Trial to Compare 3.15% Chlorhexidine/70% Isopropyl Alcohol (CHG) vs 70% Isopropyl Alcohol Alone (Alcohol) and 5s vs 15s Scrub for Routine Disinfection of Needleless Connectors (NCs) on Central Venous Catheters (CVCs) in an Adult Medical Intensive Care Unit (ICU), Oral Abstract Presented at 2014 ID Week Conference, October 11, 2014, Philadelphia, PA.

## Patient Care

Help your patients and residents remain clean and comfortable with our *Patient Care* solutions.

### Sani-Hands® Instant Hand Sanitizing Wipes

Designed for everyone – including staff, patients, residents, and visitors.

- Contains 70% Ethyl Alcohol and clinically proven to kill 99.99% of germs<sup>1</sup>
- FDA food code compliant. Safe to use before eating and drinking when used as directed<sup>2</sup>
- Clinically proven to moisturize skin after repeated use<sup>3</sup>
- Proven to remove dirt and soil better than gels<sup>4,5</sup>
- Bedside Pack features educational icons to reinforce key hand hygiene moments

### Hygea® Multi-Purpose Washcloths

- Suitable to use on all areas of the body, including face
- Ideal for perineum use and incontinence care
- Gentle cleansing formula contains soothing aloe and vitamin E, hypoallergenic, alcohol-free and latex-free

### Hygea® Flushable Personal Cleansing Cloths

- Premoistened washcloth for full body personal cleansing and incontinence care
- Cleans and refreshes better than dry bathroom tissue alone
- Hypoallergenic, alcohol-free and latex-free

**Products kill bugs, but people prevent infections.**™ Our point-of-care accessories help put PDI products in the right place at the right time to help healthcare professionals do their job more efficiently and effectively.

All of PDI's point-of-care accessories are designed to support compliance with facility protocols.

## 3-in-1 Universal Sani-Bracket®

Easily attach **Sani-Cloth** and **Sani-Hands** canisters to walls or equipment for convenient access. Customize with product-specific labels and adaptors to meet your facility's particular needs.

## Sani-Canister Caddy®

Countertop holder for canisters is perfect for nursing stations and carts. Displays important product and compliance information, such as contact time and precautionary language.

## Sani-TAG® Equipment ID System

**Sani-TAG** Equipment ID System adheres to surfaces and equipment to help staff identify what specific surface disinfectant should be used on the particular item.

The "Clean Tags" help staff easily identify when equipment has been disinfected, and meet regulatory and accreditation standards for identifying clean vs. dirty equipment.

All **Sani-TAG** labels remove easily and leave no sticky residue.

## PDI Safety Stand

Holds one canister of product and has optional attachments which can be affixed directly to the floorstand to hold personal protective equipment.
