

SANI-CLOTH®

GERMICIDAL DISPOSABLE WIPES

Environmental Services Professionals Play a Critical Role in Infection Prevention.

By maintaining a clean and sanitary environment, your facility can improve patient satisfaction while reducing the transmission of infections and readmissions. That is why PDI works with you as a total solutions partner by providing educational resources, ongoing clinical support, and innovative products.

Effective Against *C. difficile* spores
and Norovirus

Alcohol and Fragrance Free

Sani-Cloth® Germicidal Disposable Wipes

Our ready-to-use wipes are perfect for covering large areas for quick room turnover.

Sani-Cloth® XL canister, pail and refill system of products is specifically designed to support Environmental Services professionals in their vital role to help stop the spread of preventable infections, whatever the challenge.

Sani-Cloth® Pail and Refill:

- 160 XL wipes
- System designed for EVS convenience
- Color coded pail and refill system for ease of implementation, replacement and compliance.

XL Canister:

- 65 XL wipes
- Smaller footprint on EVS carts

Both Sani-Cloth® Pail and Refill and XL Canister:

- Pre-moistened, ready to use
- No measuring, no mixing, or waiting
- Compliant with CDC guidelines Disinfection and Sterilization in Healthcare Facilities and AHE Practice Guidance for Environmental Cleaning*

Sani-Cloth® Bleach

Ideal for disinfecting high risk areas endemic with *Clostridium difficile* spores and Norovirus.
