

heal your helping hands

Septodont knows that your hands are your most important asset on the job.

We also know they are the same hands that feed your family each day or write a card to a friend. That's why we established a complete line of hand care products. From SeptoSan Hand Sanitizer to our ever popular Septodont Hand Cream, Septodont has your hands covered.

S Septodont® Hand Care Puts Freshness At Your Fingertips!

Frequent hand washing is a necessary part of your day — but having dry, cracked, irritated hands shouldn't be! In fact, maintaining healthy, intact skin is the best personal barrier to infection.

SeptoSan Hand Sanitizer kills 99.99% of germs in 15 seconds:

- Safe to use in any practice
- Enriched with natural glycerin and Vitamins A and E
- Clinically proven to be non-irritating even after frequent use
