

Metrex™ has been protecting people across healthcare for over 25 years. **CaviWipes** and **CaviCide** are the ideal choices for healthcare professionals.

The CaviWipes & CaviCide family of products provides time savings, convenient packaging, ease of use, and intermediate-level disinfection in various sizes. CaviWipes and CaviCide are surface disinfectants that offer quick, easy-to-use, time-saving convenience. They are recommended for use on hard, non-porous surfaces and doing so may help alleviate your important surface disinfection concerns.

Trust the surface disinfectants used by thousands of healthcare facilities every day.
