FACE MASKS

“Works Better”

Lightweight molded material that is fiberglass free and has a BFE/PFE greater than 99% offers superior protection.

“Lasts Longer”

Light, comfortable mask with a pliable nose piece for extended wear.

“Costs Less”

Safety and comfort in an economical option for you and your team.

Premium Molded Cone Mask

The combination of a fiberglass-free material with a latex-free elastic. The fluid resistant masks have a BFE and PFE of greater than 99%. These masks are available in either regular size or a smaller size in pink – both with a unique “non-glare”, adjustable nose piece for a comfortable fit. Provides primary barrier filtration.
