Syringe Tip end*

**“Works Better”**

Provides "consistent" dry air.

**“Lasts Longer”**

Rigid design to provide strong retraction. Smooth exterior components to provide comfort.

**“Costs Less”**

Delivers superior quality at a price that cannot be beat.

## DEFEND Air/Water Syringe Tips

This disposable 7 hole air/water syringe tip reduces the possibility for cross-contamination via the air/water syringe. The clear, disposable tip works with the leading brand's hub as a direct replacement without the need for conversion. It offers strength for retraction and consistent performance.
