

**Works Better.
Lasts Longer.
Costs Less.**

DISPOSABLES

“Works Better”

Non-absorbent, non-linting fibers suspend solutions as small as 1/8 of a drop, without dripping or spilling.

“Lasts Longer”

Ideal for the placement of virtually any liquid material found in the dental environment.

“Costs Less”

Performance, strength and adaptability – all at an economical price.

DEFEND Micro Applicators

DEFEND Micro Applicators are ideal for the application of bonding agents, etchants, hemostatic solutions, cavity liners and disclosing solutions. Its bendable neck “stays put” to facilitate the placement of materials into difficult-to-reach areas. Non-absorbent, non-linting fibers suspend solutions as small as 1/8 of a drop, without dripping or spilling. DEFEND Micro Applicators are available in multiple colors to easily identify multi-step procedures. 100 per tube.
