**NEW PRODUCT**

**“Works Better”**

The contra design provides greater interproximal reach, superior paste delivery and less splatter.

**“Lasts Longer”**

The precision manufactured, internal drive components deliver reliable, smooth performance every time.

**“Costs Less”**

This quality, disposable angle will not break down allowing you to complete even the most tedious procedure.

## DEFEND+PLUS Prophy Angles

This great new prophy angle has a "CONTRA" design to help reduce hand fatigue and micro traumas while allowing for greater access. The cup is designed to provide the clinician with better interproximal cleaning, exceptional stain removal, and improved splatter control while gaining better access to lingual and buccal regions.
