DISPOSABLES

“Works Better”

These patient towels provide a positive moisture barrier and quick absorbency to protect the patient's clothing.

“Lasts Longer”

The unique technique used to bond the layers of tissue and poly securely together eliminates separation of the layers and the reinforced edges provide added strength and durability.

“Costs Less”

Six designer colors allow for high style at an economical price.

Patient Towels

The unique technique used to bond the layers of tissue and poly securely together eliminates separation of the layers and the reinforced edges provide added strength and durability. 2-ply tissue and 1-ply poly for absorption and patient protection. 13" x 18".
