

Rayon/Poly Nonwoven Sponges

AVAILABLE IN:

2x2 (4-Ply)

3x3 (4-Ply)

4x4 (4-Ply)

Richmond Dental & Medical's Nonwoven Rayon/Polyester Sponges are an economical and lint-free alternative. They will not leave fibers in dental work, nor will they leave lint residue on instruments when used for cleaning.

- Absorbent and strong
- Perfect for wipes
- Great for disinfecting or cleaning instruments
- Handkerchief folded
- Autoclavable, leak proof dispensers available for 2"x2" and 4"x4" sizes, and come in two colors: blue and white
