

PROTECTION FROM HEAD TO TOE

INFECTION PREVENTION

Halyard Health provides a full line of single-use infection control solutions to help reduce the spread of infections among patients and staff, from examination areas, to labs, to the OR. Included in this range are Facial Protection Solutions, Examination Gloves, Headwear, Footwear, Gowns and Scrub Suits.

Commitment to Excellence

Halyard Health (NYSE: HYH) is a medical technology company focused on eliminating pain, speeding recovery and preventing infection for healthcare providers and their patients. Headquartered in Alpharetta, Georgia, Halyard is committed to addressing some of today's most important healthcare needs, such as reducing the use of opioids while helping patients move from surgery to recovery and preventing healthcare-associated infections. Halyard's business segments - Medical Devices and Surgical and Infection Prevention (S&IP) - develop, manufacture and market clinically superior solutions that improve medical outcomes and business performance in more than 100 countries. For more information, visit www.halyardhealth.co.uk.
