ONLY
\$349.95
1 Year warranty

- 1** Choose your favorite Kavo, Star®, NSK, or Midwest® fiber optic handpiece
- 2** Connect the corresponding PROMETHEUS™ Coupler
- 3** Eliminate fiber optic system and installation

***Self-contained LED Couplers to upgrade to fiber optics or
expand/fix/replace existing fiber optic systems***

The Prometheus™ Coupler provides bright LED light without the need or cost of traditional fiber optic systems. Simply connect the corresponding Prometheus™ Coupler to your favorite fiber optic handpiece (Star®, Kavo, NSK, Midwest® or fixed back) and eliminate the power supply, fiber optic hoses and installation. Enjoy bright LED light instantly for about the same price as a standard quick disconnect coupler.

Johnson-Promident PROMETHEUS™ Coupler

What Is Prometheus™?

- The greatest advancement in handpiece technology since the advent of fiber optics!
- A self-contained LED coupler which allows you to have bright LED fiber optics simply by connecting the coupler to a fiber-optic handpiece.
 - Eliminates the need for a fiber-optic system
 - Saves you money (estimated \$500 per system, plus installation cost)
 - Gives you the convenience of fiber optics wherever you connect the coupler.

Who is the Prometheus™ Coupler For?

- Offices without fiber optics installed
- Offices with broken fiber-optic systems
- Offices with fiber-optic systems in some tubing/chairs but not in all
- Offices that want to upgrade to brighter LED lighting

What Can the Prometheus™ Coupler Do For You?

For just the price of a regular coupler, the Prometheus™ Coupler can:

- Provide the huge benefits of fiber optics to the large number of practices without a system
- Be a better replacement for broken fiber-optic systems
- Extend fiber optics to additional operatories/chairs

How Do You Use the Prometheus™ Coupler?

- You can use your favorite fiber-optic handpiece (any KaVo, NSK, Star®, or Midwest®, private label, or other fixed-back 5-hole)
- You connect the corresponding Prometheus™ Coupler to the handpiece
- LED fiber optics instantly!
- The Prometheus™ Coupler is fully compatible with the other brands' handpieces and couplers.
