

Gelato® Propphy Paste

Five Consecutive Top Propphy Paste Awards

Gelato Propphy Paste provides smooth, pliable and splatter-free application.

The 1.23% fluoride ion paste, 5-time winner of The Dental Advisor's Top Propphy Paste (2013, 2014, 2015, 2016, and 2017!), is perfect for high-luster polishing and stain removal, but it remains gentle enough on the enamel with minimal enamel loss.

Gelato comes in boxes of 200 individual disposable cups for convenient use. The disposable cups also eliminate cross contamination and include a propphy ring for ease of application on the patient's teeth. For more options, the paste comes in 6 ounce (exports only) and 12 ounce jars.
